

# Corporate Membership Application

AITD is the association of choice for professionals in training, learning and development. Our mission is to be a leader in fostering excellence, innovation and professional integrity in training, learning and development for the workplace.

The three strands of the value of AITD membership are summed up in our motto:

- **Innovate**

Build your knowledge of the latest approaches to developing the capabilities of people and organisations. The field of training, learning and development is one that is rapidly changing, with new methods and new challenges arising all the time.

- **Learn**

By joining AITD you demonstrate your commitment to the profession and gain access to a range of professional development activities. Membership entitles you to apply for AITD's Accredited Practitioner status.

- **Connect**

Joining AITD will enable you to establish a network of professional peers and contacts. Attend local and national events, become involved in special interest groups, visit AITD Online at [www.aitd.com.au](http://www.aitd.com.au) and become listed in the AITD database of trainers and consultants; the listing of "who's who" in the field of training, learning and development.

Being a member of AITD gives a clear signal to clients, employers & peers of your commitment to your professionalism.
