# 1. General Information

# Information on Directors (cont.)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

On 15 December 2022, the Board approved the following changes to its' Committees:

- Membership Committee, and Curriculum Committee, became External Affairs Committee (that also includes Advocacy)
- Finance Committee, and Remuneration Committee, became Internal Affairs Committee
- Audit & Risk Committee, and Governance Committee, became Governance & Risk Committee

# **Principal Activities**

The principal activity of Australian Institute of Training and Development during the financial year were to deliver to its value proposition through a combination of sharing industry relevant content, advocating on issues of relevance to our members, and delivering professional development opportunities through networking events, courses, and other programs. These activities assist in the achievement of AITD's principal objective of fostering excellence in individual and organisational learning.

No significant changes in the nature of the Company's activity occurred during the financial year and the operations are in accordance with the AITD Constitution. AITDs financial report has been prepared in accordance with the *Corporations Act 2001, Corporate Regulations 2001* and Australian Accounting Standards.

# Objectives

The Company's short term objectives are to:

- Provide value to AITD members
- Be recognised as the peak body for L&D professionals
- Operate sustainably to ensure AITDs future, and
- Live our values, every day

The Company's long term objective is to implement the Strategic Plan, as outlined in the Strategic Focus Areas 2024-2028 which can be found on the AITD website.

# Members' Guarantee

Australian Institute of Training and Development is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$20 for members that are corporations and \$20 for all other members, subject to the provisions of the company's constitution.

At 30 June 2023 the collective liability of members was \$27,460 (2022: \$26,500).

# 1. General Information

# Operating results and review of operations for the year

We are grateful to the many volunteers, who actively contribute to the work of our Institute. Thank you to all the divisional presidents, committee members, industry partners, facilitators, sponsors, and the board of directors who serve the L&D community.

As the leading not for profit training and development institute in Australia, the returns we make are invested back into better products, services, and member experience. The support of our members is crucial to helping us achieve our objectives and promote excellence across the L&D community.

Total revenue from operating activities for the 2023 year increased by 33% to \$1,199,575 (2022: \$902,724). The main revenue streams for the year were Course fees (39%), Membership fees (28%) and Conference fees (21%).

Course revenue increased by 25% to \$468,754 (2022: \$373,891), membership revenue increased by 10% to \$337,248 (2022: \$306,956). Revenue from conference fees increased by 70% to \$252,205 (2022: \$148,460).

Year on year employee expenses decreased by 16% from \$542,903 in 2022 to \$457,629 in 2023. Direct costs associated with course fees increased by 2%, from \$137,528 in 2022 to \$140,473 in 2023, and costs associated with conference fees increased from \$27,469 in 2022 to \$188,415 in 2023, reflecting the significant increase in revenue from conference. Administration costs in 2023 decreased from \$241,645 to \$199,076 reflecting our cost control strategy.

A surplus of \$683,443, including the gain on sale of office building of \$711, 591 was the result for the 2023 financial year, compared to a deficit of \$128,992 for the 2022 financial year.

Being limited by guarantee, in those year's when a surplus is achieved, the Australian Institute of Training and Development does not pay a dividend.

# 2. Other Items

# Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Company during the year.

# Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

# Future developments and results

Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

# **Environmental matters**

The Company's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory.

# 2. Other Items (cont.)

# **Corporate Governance**

AITD continually reviews all underpinning Governance documents for the Board and the Board Committees. Copies of the AITD Constitution and By Laws are available on the AITD website – www.aitd.com.au. The by laws are in addition to and supplement provisions contained in Articles of the Constitution, which govern, regulate and affect the proceedings, powers and affairs of Members and Divisional Councils.

# **Meetings of Directors**

During the financial year, six meetings of directors (not including committees of directors) were held. Attendances by each director during the year were as follows:

|                | Directors' Meetings |          |  |
|----------------|---------------------|----------|--|
|                | Number Number       |          |  |
|                | eligible to         | attended |  |
|                | attend              |          |  |
| Abbie Taylor   | 6                   | 6        |  |
| Robert Turner  | 6                   | 6        |  |
| Paul Vorbach   | 6                   | 6        |  |
| Amy Martin     | 6                   | 6        |  |
| Gerard Grant   | 4                   | 4        |  |
| Ben Campbell   | 6                   | 6        |  |
| Graham Doering | 2                   | 1        |  |
| Susan Leslie   | 2                   | 0        |  |
| Michael Werle  | 2                   | 2        |  |

# **Directors Interests and Benefits**

The AITD is limited by guarantee. No AITD Director holds an interest in AITD. Each Director however, as a member of AITD, is liable to the extent of their undertaking under the AITD Constitution.

During or since the end of the financial year, AITD has paid premiums to insure the Directors against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of Director of AITD. This excludes other conduct involving a wilful breach of duty in relation to AITD. The insurance contract entered into by AITD prohibits disclosure of the nature of the liabilities insured by the insurance contract and the amount of the premiums.

AITD's Constitution allows for the inclusion of indemnities in favour of persons who are or have been a Director or officer of AITD. To the extent permitted by law, AITD indemnifies every person who is or has been a Director or officer against any liability to any person incurred while acting in that capacity in good faith, and against costs and expenses incurred by that person in that capacity in successfully defending legal proceedings and ancillary matters and operates to the extent that the loss or liability is not covered by a valid and current insurance policy.

Payment to the Directors, and to entities from which the Directors may benefit for services by the Directors or entities, are disclosed in Notes 16 and 19 to the Financial Statements. No other Directors of AITD, during or since the end of the financial year, received or have become entitled to receive, a benefit (other than the benefit included in the aggregate amount of emoluments received or due and receivable by the Directors disclosed in Notes 16 and 19 to the Financial Statements) by reason of a contract made by AITD with one of the Directors or with a firm of which they are a member or with a company in which they have a substantial financial interest.

# 2. Other Items (cont.)

# **Auditors Indemnification**

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an auditor of Australian Institute of Training and Development.

# Proceedings on behalf of company

No person has applied for leave of court under Section 237 of the *Corporations Act 2001* to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of those proceedings. AITD was not a party to any such proceedings during the year.

# Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2023 has been received and can be found on page 10 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Anglar

Director, Paul Vorbach

Director, Abbie Taylor

Dated this 8<sup>th</sup> day of November 2023

# Auditor's Independence Declaration under Section 307C of the Corporations Act 2001 to the Directors of The Australian Institute of Training and Development

I declare that, to the best of my knowledge and belief, in relation to the audit for the year ended 30 June 2023, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

# Notes to the Financial Statements

# For the Year Ended 30 June 2023

The financial report covers Australian Institute of Training and Development as an individual entity. Australian Institute of Training and Development is a not for profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of Australian Institute of Training and Development is Australian dollars.

The financial report was authorised for issue by the Directors on 8 November 2023.

Comparatives are consistent with prior years, unless otherwise stated.

# 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-For-Profit Tier 2 Entities, and the Corporations Act 2001.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities. The amounts presented in the financial statements are in Australian Dollars and have been rounded to the nearest dollar.

# (a) Going Concern

The financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business for a period of at least 12 months from the date of these financial statements are approved.

# 2 Summary of Significant Accounting Policies

# (a) Revenue and other income

# Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which AITD is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, AITD: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

# 2 Summary of Significant Accounting Policies (cont.)

# (a) Revenue and other income (cont.)

# **Membership Services and Other Services**

Revenue from rendering of a service is recognised upon delivery of the service to the members.

Annual membership subscriptions are recognised as revenue pro rata over the period of the membership. The date of payment of the initial annual membership subscriptions runs from the date of joining for 12 months and is not refundable. Subscriptions relating to periods beyond the current financial year are shown in the Statement of Financial Position as income in advance.

# **Finance Income**

Finance income comprises interest income on funds invested with financial institutions that are recognised in the Statement of Profit or Loss and Other Comprehensive Income. Interest income is recognised as it accrues in the Statement of Profit or Loss and Other Comprehensive Income, using the effective interest method.

# Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

# (b) Income tax

The Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

# (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

# (d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

# Land and buildings

Land and buildings are measured using the cost model.

# Plant and equipment

Plant and equipment are measured using the cost model.

# Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the Company, commencing when the asset is ready for use.

# Summary of Significant Accounting Policies (cont.) (d) Property, plant and equipment (cont.)

The depreciation rates used for each class of depreciable asset are shown below:

| Fixed Asset Class                | Depreciation Rate |
|----------------------------------|-------------------|
| Buildings                        | 2.5%              |
| Furniture, Fixtures and Fittings | 5% - 15%          |
| Office Equipment                 | 10% - 33.33%      |
| Computer Equipment               | 25% - 50%         |

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

# (e) Prepayments

Prepayments for goods and services which are to be provided in future years are recognised as prepayments.

# (f) Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

# **Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

# Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

amortised cost

# Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

# 2 Summary of Significant Accounting Policies (cont.)

# (f) Financial instruments (cont.)

# Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

financial assets measured at amortised cost

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

 the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

# Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

# Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

# **Financial liabilities**

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method. The financial liabilities of the Company comprise of trade payables.

# 2 Summary of Significant Accounting Policies (cont.)

# (g) Impairment of non financial assets

At the end of each reporting period the Company determines whether there is evidence of an impairment indicator for non financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

# (h) Intangible assets

# Website

Expenditure on major website development will be capitalised when the website is operational and able to derive future economic benefits and when these benefits can be reliably measured. Website costs are amortised using straight line method over its estimated useful life of 5 years.

# Software

Expenditure on software will be capitalised when software is operational and able to derive future economic benefits and when these benefits are reliably measured. Software is amortised using straight line method over its estimated useful life of 5 years.

# Amortisation

Amortisation is recognised in profit or loss on a straight line basis over the estimated useful lives of intangible assets, from the date that they are available for use.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

# (i) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

# (j) Employee benefits

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

# 2 Summary of Significant Accounting Policies (cont.)

# (k) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

# (I) Current and non current classification

Assets and liabilities are presented in the statement of financial position based on current and non current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classed as non current.

A liability is classified as current when: it is either expected to be settled in the Company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non current.

# (m) Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

# (n) Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 30 June 2023, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

# 3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

# Key Estimates impairment of property, plant and equipment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value in use calculations which incorporate various key assumptions.

# Key Estimates fair value of financial instruments

The Company has certain financial assets and liabilities which are measured at fair value. Where fair value has not able to be determined based on quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

# Key Estimates Useful lives of Intangible Assets

As described in Note 1(h) above, AITD reviews the estimated useful lives of intangible assets at the end of each reporting period.

# Key Estimates Deferred Revenue

For income received in advance, it is the policy of AITD to bring income received to account within the period to which it relates, rather than the period within which it is received.

# Key Judgements Employee benefits

For the purpose of measurement, AASB 119: Employee Benefits defines obligations for short term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. As the entity expects that most employees will not use all of their annual leave entitlements in the same year in which they are earned or during the 12 month period that follows, the directors believe that obligations for annual leave entitlements satisfy the definition of other long term employee benefits and, therefore, are required to be measured at the present value of the expected future payments to be made to employees.

# Key Judgements Allowance for Expected Credit Losses

The Directors have determined the allowance for expected credit losses based on their assessment of the likelihood of recoverable customer receipts.

# 4 Other Income

|   | 2023      | 2022    |
|---|-----------|---------|
|   | \$        | \$      |

# Movements in carrying amounts of intangible assets

|                                      | Intangible |          |
|--------------------------------------|------------|----------|
|                                      | assets     | Total    |
|                                      | \$         | \$       |
| Year ended 30 June 2023              |            |          |
| Balance at the beginning of the year | 16,728     | 16,728   |
| Amortisation                         | (15,336)   | (15,336) |
| Closing value at 30 June 2023        | 1,392      | 1,392    |

# 10 Other Assets

| CURRENT     |        |        |
|-------------|--------|--------|
| Prepayments | 27,931 | 58,869 |

# 11 Trade and Other Payables

| CURRENT                              |         |         |
|--------------------------------------|---------|---------|
| Trade payables                       | 89,079  | 82,720  |
| GST payable                          | -       | 15,436  |
| Other creditors and accrued expenses | 18,066  | 22,043  |
| PAYG withholding payable             | 555     | 11,765  |
| Superannuation payable               | 11,136  | 12,211  |
|                                      | 118,836 | 144,175 |

Trade and other payables are unsecured, non interest bearing and are normally settled within 30 days. The carrying value of trade and other payables is considered a reasonable approximation of fair value due to the short term nature of the balances.

# 12 Income in advance

|                            | 2023    | 2022    |
|----------------------------|---------|---------|

| CURRENT                    |         |         |
| Provision for annual leave | 28,592  | 43,989  |

| NON-CURRENT<br>Long service leave   | 12,468 | 6,349 |
|-------------------------------------|--------|-------|
| Number of employees at year end FTE | 3.3    | 4.3   |

# 14 Financial Risk Management

AITD is not exposed to any significant financial risks in respect to the financial instruments that it held at the end of the reporting period. The Board of Directors have the overall responsibility for identifying and managing operational and financial risks.

AITD's financial instruments consist mainly of deposits with banks, trade and other receivables and trade and other payables.

| Financial assets            |           |         |
|-----------------------------|-----------|---------|
| Cash and cash equivalents   | 1,587,674 | 557,374 |
| Trade and other receivables | 12,474    | 40,669  |
| Total financial assets      | 1,600,148 | 598,043 |
| Financial liabilities       |           |         |
| Trade and other payables    | 118,836   | 144,175 |
| Total financial liabilities | 118,836   | 144,175 |

# 15 Members' Guarantee

Every member of the Australian Institute of Training and Development undertakes to contribute to the property of the company in the event of the company being wound up while the member is a member, or within one year after the member ceases to be a member, for the debts and liabilities of the company (contracted before the member ceases to be a member) and of the costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, such amount as may be required but not exceeding twenty dollars (\$20) per member. As of 30 June 2023, The AITD had 1,373 members (2022: 1,325) at the end of the reporting period.

# 16 Key Management Personnel Disclosures

All directors and senior management, noted below, are key management personnel.

# (a) Directors

The names of Directors in office during the financial year or as at the date of this report are as follows:

- Abbie Michelle Taylor
- Robert Blair Turner
- Paul Andrew Vorbach
- Amy Louise Martin
- Gerard Grant
- Ben Campbell
- Graham Carl Doering
- Susan Leslie
- Michael Anthony Werle

# (b) Senior Management

The names of Senior Management during the financial year or as at the date of this report are as follows: Benjamin Campbell, Chief Executive Officer and Company Secretary

# (c) Compensation to Key Management Personnel

# (i) Director Compensation

The non executive Directors of the company are appointed on an honorary basis and as a result do not receive any remuneration either directly or indirectly in their capacity as a director of AITD or any related party. Non executive Directors are reimbursed for travel and accommodation expenses incurred for performing their duties as a Director. Transactions with Directors and their related parties have been under the company's normal terms and conditions of trading. Related party transactions during the financial year are in Note 19.

# (ii) Senior Management Compensation

The Company aims to reward senior management with a level of compensation commensurate with their position, responsibilities, and delivery so as to:

- recognise senior management for the company, functional area and individual performance against targets set to appropriate benchmarks.
- link salary with the strategic goals and performance of the company; and
- ensure total compensation is competitive by market standards within company's funding capability.

The remuneration paid to key management personnel of the Company is \$160,365 (2022: \$119,794).

# 17 Auditors' Remuneration

# Independent Audit Report to the members of The Australian Institute of Training and Development

# Report on the Audit of the Financial Report

# Opinion

We have audited the financial report of The Australian Institute of Training and Development (the Company), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act* 2001, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2023 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures and the *Corporations Regulations 2001*.

# **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Responsibilities of Directors for the Financial Report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

# Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
